Dear Mr. Kramer,

It is with deep gratitude that I write to acknowledge Kramer Ausenco's generous contribution to the fundraising Gala Event hosted last Friday night, 21 November, in Port Moresby. As PNG Patron of YWAM Medical Ships, I speak on behalf of the whole organisation, but perhaps more poignantly, the people in the rural areas we serve together, to thank you for your support.

Together on the night, a total of K6.19 million was raised in cash and pledges. This will go directly toward the purchase of the MV *Ammari*, such a significantly improved Training and Medical Ship to serve our nation. It will be focused on the Southern Region and Huon-Gulf at present, under strategic direction from National Department of Health.

What an incredible result from the Gala. I am exceptionally pleased and believe Kramer Ausenco can be very proud to have taken part in this journey. We look forward to hosting you and your colleagues aboard sometime in 2015 to view this Training and Medical Ship for yourself.

Kind regards,
