RE: CONSULTING ENGINEERING SERVICES OF KRAMER GROUP

As Papua New Guinea's largest superannuation and retirement fund, Nambawan Super Limited is responsible for managing and investing the retirement savings of about 90,000 contributors.

A significant portion of the funds under the management of Nambawan Super Limited is invested in major commercial properties ranging in value from K50million – K100million (AUD\$20 million - AUD\$40 million).

The design, documentation and project management of these significant commercial properties require the services of a locally based reliable multi-disciplinary consulting group.

Kramer Group has for many years been the preferred consulting group engaged by Nambawan Super Ltd due to the Group's focus on supplying the traditional civil and structural engineering services, project management, building services and contract administration.

Kramer Group has provided Project Management and Consulting Engineering services since it was established in Papua New Guinea in 1978 and today has permanent offices in Port Moresby, Brisbane, Honiara, Port Vila, Apia, Nuku'alofa and Suva.

Current projects being undertaken by Kramer Group for Nambawan Super Limited include the following;

Project Name	Services provided by Kramer Group	Project Capital Value	Project Status
Commercial Development Boroko, Port Moresby	Structural & Civil Engineering Design and Construction Inspection Services	K24 million (AUD\$9.6 million)	Design / Documentation will be completed February 2009 & Construction to commence August 2009
Holiday Inn Suites (11 level Residential Building) , Port Moresby	Structural & Civil Engineering Design and Construction Inspection Services	K62 million (AUD\$24.8 million)	Design / Documentation will be completed February 2009 & Construction to commence March 2009
IPI Building Development (8 level office building & basement car park), Lae	Structural & Civil Engineering Design and Construction Inspection Services	K35 million (AUD\$14 million)	Design / Documentation will be completed December 2008 & Construction completion December 2010
Shirin Haus Development (10 level commercial & residential building including basement car park), Port Moresby	Structural & Civil Engineering Design and Construction Inspection Services	K25 million (AUD\$10 million)	Design / Documentation complete. Construction completion June 2010

Nambawan Super Ltd has found Kramer Group Ltd to be highly professional and efficient in delivering major infrastructure projects on time and within budget.

Nambawan Super Ltd has no hesitation in commending Kramer Group as a multi-disciplinary consulting organization for major buildings and infrastructure projects.

Yours faithfully
