

## Kramer Ausenco Brothers

---

The Kramer Ausenco Brothers Rugby Union Club continues to do well in the Capital Rugby Union competition in Port Moresby. After round 14, the Women and Under 19 teams are third on the ladder, while the Premier Grade team is placed fourth.

On the 4th of August, members of Kramer Ausenco staff went to Bava Park to watch a Premier Grade match between Brothers and Chiefs. Our team went down 27 to 29 in a tough and exciting encounter.

Kramer Ausenco's support to the club over the last two years has totalled just over K50,000.
