

Factsheet

Ela Motors - Lae

Commercial, Residential and Industrial

Project Title

Ela Motors Lae

Location

Lae, PNG

Client

Ela Motors

Project Type

Commercial

Year Completed

On-Going

Project Description

Kramer Ausenco was appointed to do design work for the complete refurbishment of the Ela Motors office at the Lae Branch. The refurbishment work included structural and civil services as well as all other building services. The offices, warehouse, pavements, and fencing had to be investigated and redesigned where necessary. Regular site visits were conducted to ensure construction is as per design.
